OPPORTUNITY IN THE COMMUNITY

## Enroll in our Basic Computer Program Today!

ASSOCIATION HOUSE OF CHICAGO

TECHNOLOGY CENTER

### What is Basic Computer Education?

Our Basic Computer Education (BCE) program is designed to empower community residents with the fundamental skill sets necessary to adapt to and address technological challenges in today's environment. Our high-end computer labs and talented team of instructors provide an environment where students can learn basic computer skills, including:

- Internet Concepts
- Gmail
- Browsers & Google Searches
- Microsoft Word
- Navigating Windows
- Overview of Hardware
