We provide free mental health and support services to youth and families that have been impacted by violence

Our goal is to address the demand for mental health services and victim services. We envision a safe place for our staff to meet clients and connect with partners. We provide support services to youth and families that have been impacted by violence in their home or community.

Mental Health

BUILD's clinical team provides individual youth, group, and family support services.

Court Advocacy

Community Wellness Navigators provide accompaniment and support in legal court proceedings for criminal, civil, and immigration court.

Case Management

Community Wellness Advocate case management includes emergency housing assistance, food, employment assistance, judicial/education advocacy, and referrals.

Crisis Intervention

Our Crisis Response Unit provides provides immediate support to victims after an incidence of violence.

BG2W Program

Designed to dramatically alter the life trajectories of female-identifying youth, ages 12-19, involved in gangs and the justice system and other risky behaviors.
